

# Mimi

Mimi knows exactly what she likes: her stuffed bunny, her pet roly-poly bug (named Frank), eating bananas that are cut just-soand forks. Young readers can spend a day with Mimi as she goes to preschool, plays with friends, and spends time with her family?all the while searching for Frank, who seems to have been lost along the wayAdorable 3-D art distinguishes the book, which is sure to be a natural read at naptime, bedtime, and story hour.
