

## Dont Look Back! (Mad Myths Book 5)

Another amazing myth adventure from the masters of mayhem, the 2 Steves. When Perce Andy, Eddie and Wellard go on a school trip to London, they dont expect to find the most famous musician in Ancient Greece busking in a tube station. And their plans for the day dont include joining him in on a journey down into the darkest reaches of the underworld to rescue his wife. But the best laid plans dont always work out. Its going to be a hell of a day! Fast-paced... the dialogue brims with juvenile banter, bad puns and jokey reference to music and film.. the writers use of language is rich and evocative.
