

Wolves and Sheep Dont Mix

After years of serving his country as a SEAL and in Special Ops, Clem wanted to retire, to get away from all the chaos and violence that had become ingrained in his life. With his friend and former commanding officer, Capt. Stuart Skip Newman, he retreated to the quiet little town of Sommers, Florida. But Clem finds danger lurking behind its peacefulness, and a friendship with a local bad guy turns into a murder investigation. Seeking help, he finds resistance among the townsfolk and outside forces attempting to derail him.
