

I Like Soccer (Things I Like)

What inspires your young readers to pick up a book and read? The likelihood is that children everywhere will be fascinated by at least one of the exciting hobbies and interests covered in this new series. Topics such as dinosaurs, cars and outer space are explored with each title aiming to inspire a child to get reading! This book is written from a child's perspective to provide an alternative voice to that used in most reference books. It includes high-interest topics, and attention to vocabulary and careful levelling make this series ideal for the literacy classroom. It also includes non-fiction features such as glossary and index and provides the reader with opportunities to find out more about the topics.
