

Hunting with Crocodiles (High Interest Books: Animal Attack! (Hardcover))

Crocodiles are some of the craftiest hunters in the world. They lie underwater with only their eyes and nose above the surface and wait for prey to wander by. Then, in the blink of an eye, they leap forward and clamp their vice-like jaws down on the unlucky animal and drag it into the water. Readers will be amazed when they see the dazzling images of crocodiles in the wild.
