

My sole reason for writing this book is to give back to everyone who makes up the industry of Network Marketing and to expose those starting in the industry of Network Marketing. A solid foot to stand on just in case their upline abandoned them. As well as for those of us who has had success in this transforming industry never having to hear again Yeah Ive tried that network marketing thing and it didnt work for me. The nuggets in these binders prevents failure if applied, and works if you work it. Its full of real content amassed over 37 years from the time I was 19 years old in Amway til the present. Notes taken, cassettes listened to, books read and mentored by some of the industrys best. A book where you can start anywhere and grow from each nugget studied and applied. Now you pay it forwarded to your team. Share the book with them and make a claim of the gold in Network Marketing.
