

Esta colectanea de contos infantis contem seis historias: O sapo envergonhado, que da o titulo a obra; - O galo que desejava correr mundo; - A bruxa e o caldeirao; - A vendedora de cebolas; - A princesa feia; - e O principe do Reino Estranho. Sao historias baseadas nas personagens dos contos tradicionais, onde fadas, bruxas, reis, principes, princesas e animais se encontram em mil e uma trapalhadas que fazem as delicias das criancas. A primeira começa assim: «Era uma vez um sapo que vivia no seu charco feliz e despreocupado. Tinha o seu nenufar particular, onde se postava a apanhar banhos de sol e a comer moscas que distraidamente violavam o seu espaço aereo. Uma vez por outra, partilhava o nenufar com uma femea do charco. Coaxava a tarde toda para ela e oferecia-lhe as moscas varejeiras mais suculentas que conseguia cacar. A femea ficava encantada e agradecia-lhe com um piscar de olhos e um coaxar lento e sedutor. Era uma bela vida. Mas um dia a paz terminou».
