

The Official Guide to Effective Teaching and Learning in Hairdressing

This essential timesaving tool is fully endorsed by Habia and offers Trainee Hairdressers and Fulltime Practitioners advice on ensuring their teaching is interesting, inspiring and motivational for all hairdressing learners. This book motivates readers to question the teaching and learning techniques they currently use and offers new, constructive ways for the educator to improve the quality of their teaching to hairdressing students. Readers will learn how to deliver a range of different teaching methods that can be used for starter activities and main programme content, all in the context of hairdressing learning and mapped to the hairdressing curriculum. Readers will also have access to a free online companion website offering downloadable templates and text to help prepare for lessons and plan the delivery of the hairdressing curriculum to learners of all ages in any learning environment. This book is suitable for all awarding associations, ensuring students have everything they need to pass their course.
