

Old Macdonald: a Cartwheel Cloth Book (Cartwheel books)

5 adorable farm-animal faces top each finger of a velour glove puppet that features a small board book attached to the palm. Parents can quack-quack, oink-oink, moo-moo, meow-meow, and woof-woof while they manipulate the five farm animal finger puppets: a duck, a pig, a cow, a cat, and a dog. Using the soft, colorful hand puppet, parents and children can make the fingertip critters come to life. And the board book, featuring the well-known nursery song, is conveniently nestled in the palm of the puppet, making the entire package self-contained and perfect for reading aloud.
