

On the Devils Court

What would you give to be your schools superstar? After reading Dr. Faustus, Joe considers the merits of selling his soul to the devil. Suddenly, he finds himself changing from a lousy basketball player and a C student to the star athlete he always dreamed he could be. Even though he isnt sure if he actually made a deal with the devil, he cant help but enjoy the benefits that come with his newfound abilities. But is achieving his dreams worth what he may have given up? In this coming of age sports novel, Joe learns the power of belief and that the only goals worth attaining are the ones that you earn -- on your own.
