

Ongoing Crisis Communication: Planning, Managing, and Responding

Ongoing Crisis Communication: Planning, Managing, and Responding, Second Edition provides an integrated approach to crisis communication that spans various disciplines as well as the entire crisis management process. Drawing on firsthand experience in crisis management, author W. Timothy Coombs uses a three-staged approach to crisis management?pre-crisis, crisis, and post-crisis. A truly integrative and comprehensive text, this book explains how crisis management can prevent or reduce the threats of a crisis, providing guidelines for how best to act and react in an emergency situation.
