

## Crime in the Cards (Hardy Boys Book 165)

CREATURE CARDS ARE HOT, EXPENSIVE -- AND BANNED FROM BAYPORT HIGH! Gaming has already caused too much hassling among the students. But the Hardys friend Chet is really upset when his confiscated deck is stolen from a teachers locked desk. Its the latest in a string of thefts, and the big tournament is coming up. The police are stumped, but Frank and Joe are playing their best hand to catch the thief. From a waterfront park to a deserted nighttime mall, the boys uncover a web of Internet action, trading, selling, secret games, and cheating. Theyre onto a criminal scheme that nets giant profits -- and the decks are stacked against them. But the Hardys have one special trick up their sleeves!
