

## Orangutan of the Jungle: An Eco Childrens Story (Eco Childrens Stories)

Orangutan of the Jungle has many features that can teach children how to orangutans and the jungles of the world:

1. Story: James and his little sister Joy were enjoying their holiday at an exotic malaysian resort. After snorkelling on the reef, the children meet a little orangutan on the beach. Will James and Joy be able to help their new friend Mango, find his mother?
2. Messages: Many messages are provided to help the orangutans and jungles of the world. Heartfelt thanks to to the Orangutan Project, Australia for assisting with factual information in this book.
3. Age Range: By educating 6 to 12 year old children through these stories, it will deepen their understanding of people, various cultures, animals and the environment. Together we can make a difference!
