

MySearchLab with Pearson eText -- Standalone Access Card -- Developing the Public Relations Campaign (3rd Edition) (MySearchLab (Access Codes))

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Normal 0 false false false EN-US X-NONE X-NONE This access code card gives you access to all of MySearchLab's tools and resources, including a complete eText of your book. You can also buy immediate access to MySearchLab with Pearson eText online with a credit card at www.mysearchlab.com. A practical, easy-to-follow approach to public relations

Written for students taking advanced courses in public relations, *Developing the Public Relations Campaign* takes a team project approach to learning about the field. The book introduces a three-step process the PIE chart that more accurately reflects the campaign development process used in the real world. Exercises and case studies in every chapter guide students through the development of their own public relations campaigns. This text is available in a variety of formats digital and

print. Pearson offers its titles on the devices students love through Pearsons MyLab products, CourseSmart, Amazon, and more.
