

Pandora

Illustrated in full color. Here is a captivating picture book for cat lovers of all ages--told from a feline point of view. Pandora, a beautiful black cat, has lived contentedly in a cozy house with a man and woman who cherish her. One day they bring a baby home, and Pandora begins to feel both unloved and unwanted. She runs away in a huff and learns how to fend for herself in the wild. But when she gives birth to two kittens of her own, Pandora begins to understand why her humans were so protective of their new baby. When her kittens are strong enough, Pandora leads them back home, where they all live together as one happy human and cat family. This tender story of tolerance will especially appeal to children who have to accept a new baby into the family.
