

Freckles and the True Meaning of Christmas (Freckles the Bunny Series)

Freckles and her friends believe that Christmas is all about presents, that is until their families decide to show them the true meaning of Christmas. Each family embarks on a magical Christmas journey, when they show their children that Christmas is about the love we have for each other. For the first time ever, meet the full family of Freckles the bunny (the star and lesson learner of the books), Donut the duckling (who loves circles), Norma the fawn (who is shy and can run quickly), Dreamy the chick (who loves to nap), Boots the kitten (who loves to groom) and Tiger the puppy (who loves to growl and pounce like a tiger). Characters are based on the authors real pets, with the same unique personalities. MORALS/LESSONS LEARNED: * It is good to donate or volunteer time. * Helping others, caring and sharing. * Christmas is about the love and caring for each other, not about presents. * Helping makes you feel good inside. 53 pages (35 illustrated pages plus family trees, a Christmas poem and 2 crafts). 8 x 10 size. Ages 6+.
