

## Poise, Power & Pizazz: Great Business Talks, No Sweat

If you're in business and give talks or presentations lacking in confidence, you don't convince, you don't lead, you don't persuade, and you don't sell. Bottom line: Bad talks are bad for business. Created with the needs of today's super-competitive business world in mind, this 200-page e-book reveals to readers 50 simple, effective strategies for giving talks and presentations with confidence, conviction, and charisma. Giving a great talk is 90% grit, 10% guts, says author Stan Munslow. Once you have those, just about everything else that goes into making you a first-rate speaker just falls into place. In business, to speak with authority is to succeed.
