

## Polar Bears (Amazing Animals)

What do gorillas like to eat? Where do they live? What makes gorillas special? Children delve into the worlds of their favorite animals as they explore the Amazing Animals series. Each title features colorful photos, easy-to-read text, charts, and maps in a kid-friendly format. Habitats, unique features, and life cycles are described along with a special section on the myths and legends surrounding the featured animal. Readers will also learn about the dangers different species face and how they can help to protect wildlife.
