

# This Business of Broadcasting

This Business of Broadcasting is a comprehensive guide to jobs and job opportunities in the broadcasting industry - broadcast and cable television as well as radio - suitable for both the entry-level job seeker and the mid-career job changer. It offers an overview of the television and radio industries; a detailing of job functions and salaries in each field; a detailed examination of programming; interviews with industry veterans and fast-track newcomers; and authoritative advice on education, resumes, interviews, internships, training programs, and resources.
