

Poppys Return (The Poppy Stories)

Poppy returns ... with big trouble. Family trouble. Poppy and Rye dont know what to do about their son Ragweed Juniors attitude. He is rude, he is crude, and he has dyed his fur to look like Mephitis, his skunk friend. In short, Ragweed Junior is very much a teenager. Even Ereth, the cantankerous porcupine, with his salty swearing, cant straighten him out. Then Poppy gets an urgent request to return to her old home, Gray House, where her aging parents, Sweet Cicely and Lungwort, are in difficulties. Not only does she agree to go back, she decides to take Junior, in hopes traveling together will bring them together. But when Juniors skunk pal and Ereth join the party, the trip doesnt quite go as expected. And when Poppy recalls she did not get along with her parents, things become even more complicated. Poppys Return is a hilarious adventure tale about family: the gleeful joys, the farcical sorrows, the high emotions, and the low comedy of living with and without relations. Its also about bears, bulldozers, and the boisterous antics of young mice doing the stinky red. And sugared slug soup, theres always Ereth to stir the stew of Poppys rich and rewarding life.
