

CONNECT!: The Seven Tactics To Hit The Bulls Eye In Your Business Film Industry Professionals Edition, Book One (BullsEye! 1)

Building a business is a commitment of time, effort and resources. For film industry professionals, its a challenge to market yourself while working on a project. In this book series we are giving you a practical system to use which will speed up your success. Each of the seven tactics has a separate user manual with exercises for your practice. As you set your sites and aim for your targets, keep in mind that you are connecting with the purpose of creating value through sharing your talents with the world.
