

Private I Guana: The Case of the Missing Chameleon

When Private I. Guana takes the case of the missing chameleon, the fun begins! Chameleons are hard to find--they keep changing colors. So Private I. Guana hangs missing posters (in a variety of hues, of course!) and searches high and low, from the swamp through the forest to the Lizard Lounge, until he unexpectedly stumbles upon the clue to the mystery. Filled with humorous wordplay and visual puns, this engaging adventure, inspired by the detective films of the 1940s, will tickle any readers funny bone.
