

## Kids Training Puppies in 5 Minutes with DVD

The author created Kids Training Puppies in 5 Minutes for children who yearn to help with the training of their new puppies. The book helps instruct children in terms they can understand as to how to train their puppies. Easy-to-follow five minute commands makes this book essential for any child training his or her first puppy. Colorful step-by-step photographs of children training puppies help achieve immediate success. A DVD is included for easy step-by-step instruction.
