

African Religion Vol 5 -Goddess Path

AFRICAN RELIGION VOLUME 5: THE GODDESS AND THE EGYPTIAN MYSTERIES The Secret Forms of the Goddess and the Rituals of Resurrection The Supreme Being may be worshipped as father or as mother. Ushet Rekhat or Mother Worship, is the spiritual process of worshipping the Divine in the form of the Divine Goddess. It celebrates the most important forms of the Goddess including Nathor, Maat, Aset, Arat, Amentet and Hathor and explores their mystical meaning as well as the rising of Sirius, the star of Aset (Aset) and the new birth of Hor (Heru). The end of the year is a time of reckoning, reflection and engendering a new or renewed positive movement toward attaining spiritual Enlightenment. The Mother Worship devotional meditation ritual, performed on five days during the month of December and on New Year's Eve, is based on the Ushet Rekhit. During the ceremony, the cosmic forces, symbolized by Sirius - and the constellation of Orion ---, are harnessed through the understanding and devotional attitude of the participant. This propitiation draws the light of wisdom and health to all those who share in the ritual, leading to prosperity and wisdom.
