

Rattlesnakes/ Serpientes De Cascabel (Animals That Live in the Desert/ Animales Del Desierto)

Animals freeze in their tracks as a buzzing sound fills the air. The scariest noise in the desert warns that a rattlesnake is about to strike. In Rattlesnakes/Serpientes de cascabel, come face-to-face with this deadly creature of the desert. This special English-Spanish bilingual edition enables children to work on their second-language skills as they develop strengths in their primary language.
