

Killer Cats (Animal Attacks (Arcturus))

If you ever wanted to know how Big Cats survive in the wild, find out in this fascinating book about survival. Different cats will use different techniques for killing their prey. Some work in packs and others hunt alone. All big cats are carnivores, but which animals will they hunt and eat? Learn about camouflage and how they protect their cubs. A high-interest, magazine style series of books about some of the worlds most dangerous and famous predators for readers aged 9+.
