

Real Madrid (Soccer Stars)

For young fans of UEFA Champions League action, nothing beats a dramatic game of soccer. This series puts readers six and up into the goal-diving action, introducing some of the worlds most popular Soccer Stars through brief recaps of their rich team histories. Highlighting important players and managers in main text and special callouts alike and noting key periods of success and failure, each book presents action-driven photos and a rundown of Champions League titles as it examines the stellar saga of European football clubs. An elementary introduction to the Spanish soccer team Real Madrid, including a brief history since the teams 1902 founding, its main rival, notable players, and Champions League titles.
