

## Gunthers Great Campaign

Gunthers Great Campaign tells the story of a king who finds himself without much to do when his kingdom experiences prosperity and peace. Determined to find some way to be useful, he launches a campaign for greatness so that his kingdom shall be the best in the world. Yet, not even greatness satisfies him; when it seems that Gunther will finally go too far, his subjects gently remind him that a great leader is one who is contented with even a boring, peaceful land. Told in enchanting prose, Gunthers Great Campaign will delight readers with its humorous illustrations and lyrical style.
