

Riding High (Going for Gold)

Billie and her beautiful gray gelding, Valentines Kiss, are three-day eventing naturals--winning every regional trial they enter. But suddenly, Billie loses interest in the sport and avoids training with her beloved horse. While her rivals say that shes lost her nerve, the truth is that Billie witnessed a terrible accident during her last cross-country event, in which the horse broke its leg, and shes terrified that the same fate could befall Valentines Kiss. A new trainer makes Billie face her demons and trust in her horses exceptional ability.
