SubramanianThe SACRED SONGS OF INDIA VOLUME TWO, like volume one, encompasses selections from the lifework of ten mystic poet-musician-saints of India, spanning twelve centuries. These poet sages came from different regions of India and sang in different languages, but they were all mystics who sought and attained direct communication with God as the intangible, omniscient, omnipresent Power or in diverse manifestations of Divinity in personalised forms celebrated in the myths and legends of India and sanctified in the various temples of India which provided the inspiration for their songs.The mystic saints whose songs are included in this volume are: Manikkavachakar, Jnaneshwar, Narsi Mehta, Annamacharya, Syama Sastri, Muthuswami Dikshitar, Swati Tirunal, Rabindranath Tagore, Subramania Bharati and Papanasam Sivan.
