

Mays Runaway Ride (Pony Tails Book 14)

After Mays terrible day, riding her pony will make everything better ... wont it? May cant seem to do anything right. First, she happens to wake up Jasmynes baby sister from a nap. Then she accidentally lets a puppy out of his pen, making Jasmynes mom chase him all morning. Unintentionally, May seems to be causing problems for the people around her. She knows that a nice afternoon ride with her friend Joey will cheer her up, but she winds up getting into even more trouble. Now all of her friends think she has run away from home! Can the Pony Tails save May from this awful day?
