

Saddle Wise: School Day Rides

In this third exciting installment in the SaddleWise series, follow April and Rainy Day as they tackle new challenges and make new friends. As the new school year starts to unfold, April is unprepared for the events in the rest of her life. Aunt Patti and Nelson expand their farming enterprises, her neighbor and best friend Lowell is looking at her strangely, and she befriends the new boy at school. With their equine skills in place, will April and Rainy Day be able to help their friends or will they find themselves in over their heads?
