

Sales & Body Language: Tuning in to Your Customers Buying Signals

If you're in sales, and you want to learn how to make more money, this is the book for you! This easy-to-follow guidebook teaches you how to read your customers during every step of the sales process. You'll learn when to ask questions, when to stop talking and when to ask for the sale all by watching your customer's faces, hands and feet. You'll also learn strategies for using your own body language to quickly establish rapport and gain your customer's trust. Whether you're new to the field of sales, or a seasoned sales professional, this book will equip you with the skills you need to tune in to your customer's buying signals and turn up your sales!
