

Seeing Your Life Through New Eyes: InSights to Freedom from Your Past

Wouldnt it be wonderful to do self-discovery in the privacy of your own home? By using The Family Triangles process and answering three simple questions, you can uncover unconscious patterns that define how you love, what you value, and what unique gifts you have in life. This book reveals those obstacles that too often interfere with loving relationships and creative expression, and it includes diagrams to use for your personal exploration and growth. Brenner and Martin describe an invaluable psychological process for anyone looking to live with greater authenticity, joy and love. The clarity of this guide makes it practical and powerful for individuals and therapists.
