

The bestselling author of *What They Don't Teach You at Harvard Business School* now focuses on key disciplines and shares his philosophy on selling. Written in his trademark candid, anecdotal style, *On Selling* expands upon the three basic tenets of salesmanship--how to identify the customer, how to reach the customer, and how to persuade the customer to buy--and guide readers through the steps which every salesperson must master.

All This Stress, For the Love of a Lady Bug: Creative Science for the Very Young Child (Days of Wonder Series), *The Shy Toad*, *The Indisputable Guide to SEO Success*, *Nuts to You!*,
