

Septimus Heap, Book Seven: Fyre

Favorite characters return in this stunning seventh and final book in Angie Sage's New York Times bestselling magical series: Extraordinary Wizard Marcia Overstrand, Alchemist Marcellus Pye, and of course Septimus Heap, Jenna, Beetle, Simon, Lucy, and the rest of the Heap gang. Jenna will soon be Queen and Beetle is now Chief Hermetic Scribe. Septimus, however, must rid the Castle of the Darke Domaine by destroying the Two-Faced Ring. His skills in both Magyk and Physik will be tested, as will his loyalties. Filled with Angie Sage's characteristic humor and heart, *Fyre* is a grand finale that is fantasy adventure at its best.
