

Sex In Marriage is Not OK - Its Amazing!

With good humor and honesty, Sex In Marriage Is Not OK - Its Amazing! addresses sexual intimacy from a Biblical and practical perspective, presenting a new ancient approach. This sex-positive book boldly asserts that sex is Gods wedding gift and should be received and enjoyed with reckless abandon. Phyllis and Glenn Hill present this practical overview of sexual activities, highlighting female orgasms, unlimited variety and sex toys. This book is an excellent training resource for dating couples preparing for marriage, emphasizing the importance of purity during courtship. It includes a chapter on the history of the Christian sex ethic in the early church and some resulting misperceptions that continue to plague couples today. A must-have for every married couple.
