

Shhh!

The perfect story for bedtime and quiet time. A little shrew had wonderful news. He wanted to tell the whole world, but it was too noisy. Nobody could hear him. "I know the secret of Peace on Earth!" he said. And he never gave up. Maybe if we count to three, and keep very, very quiet, we might hear him now. Shhhhhhh! Just imagine if everyone in the world sat still and listened just like that, how much peace there would be.
