

Travel Fun (Dk First Activity Packs Series)

DKs First Activity Packs introduce a new and exciting concept in learning. The hands-on projects encourage children to make their own discoveries and to think and learn independently. Each pack includes an activity book to lure children into its subject. With Travel Fun, trips will never be dull with games, quizzes, and travel activities for the whole family. A travel diary is included so children can keep a log of the familys trips. Kids will amuse themselves over and over again with the wipe-clean magnetic game boards and crayons.
