

# SlaveCraft: Roadmaps for Erotic Servitude--Principles, Skills and Tools

Guy Baldwin, author of *Ties That Bind*, joins forces with a grateful slave to produce this gripping and personal account on the subject of consensual slavery. Philosophical and intense, *Slavecraft* dares to delve beneath the surface of D/s relationships and gives us an intimate and revealing view from a rare perspective-- that of a slave. The authors examine the psychology and spirituality behind the Master/ slave dynamic, and the result is a book that is resourceful, thought provoking and sexually charged. Beautifully written and intriguing, *Slavecraft* is sure to leave an impact.
