

# Smart Feller Fart Smeller: And Other Spoonerisms: Smart Feller Fart Smeller and Other Spoonerisms

Everybody says spoonerisms. They happen by accident when you're talking or thinking too fast and you flip-flop the initial sounds of words. Like when you mean to say HANDLE WITH CARE, but it comes out CANDLE WITH HAIR. Or when A WELL-OILED BICYCLE comes out A WELL-BOILED ICICLE, or THANKS FOR DOING THE CHORES turns into THANKS FOR CHEWING THE DOORS. Wordplay master Jon Agee takes some of the more comical examples of these verbal mix-ups and pairs them with his equally hilarious pictures. It's a combination that will tickle your BUNNY PHONE.
