

Snakes Alive and Other Stories

These three easy-to-read stories are all humorous but scary! In *Snakes Alive*, Bobby Bloggs fancies becoming a snake-charmer but has reckoned without Wizard Welkin, whose enchanted snake finds its way into Bobby's rich great-aunties' bed. *Through the Witch's Window* involves Lily Dollop, who breaks a window and is then pursued by a strange black star. And last but not least, *Amos Shrike, The School Ghost* comes to haunt Basil Nobbs when he decides to vandalize the headmaster's room.
