

Spy X: The Code

In this thrilling mystery series, 12-year-old twins Andrew and Evie navigate through a maze of intrigue and espionage as they try to uncover the truth about their mothers disappearance. Leaving only a cryptic note, Andrew and Evies mother vanishes on their eleventh birthday. Now, almost a year later, the twins receive a mysterious package from someone named Spy X. They soon learn that the contents of the box will lead them on an incredible journey toward finding their mother - and into a world where no ones identity can be trusted. In Book #1, Andrew and Evie are initially sure what to make of the package that arrives at their door soon after they move to a new town. Its filled with random things--a key, something that looks like a kaleidoscope, (continued)
