

# Start Day Trading Now: A Quick and Easy Introduction to Making Money While Managing Your Risk

Are you intimidated by day trading? Think its only for the select few who are savvy with stocks or are financial geniuses? Well, think again, because anyone can learn how to day trade --and once you master the basic techniques, its possible to make money. The flip side: if you dont know what youre doing, you can lose your shirt. In this entry-level guide to day trading, financial journalist Michael Sincere assumes you know nothing. Zip. Zero. Inside, he shows you how to get started and breaks day trading down by clearly explaining: What equipment youll need How much money is required How to choose a broker and set up a trading account Various day trading strategies How to manage risk Most important, Sincere lets you in on the biggest secret of all: that controlling emotions and money is the key to being a successful trader. In addition, interviews with professional day traders are included in the book.
