

Handbook of Lesbian and Gay Studies (Sage Masters in Modern Social Thought)

With this benchmark work, lesbian and gay studies comes of age. Drawing from a rich team of global contributors and carefully structured to elucidate the core issues in the field, it constitutes an unparalleled resource for teaching, research and debate. The Handbook of Lesbian and Gay Studies is organized into 4 sections: History & Theory: This covers the roots of lesbian and gay studies, the institutionalization of the subject in the Academy, the naturalness of heterosexuality, science and sexuality, the comparative sociology of homosexualities and the heterosexual/homosexual division. Identity & Community: This examines the formation of gay and lesbian identities communities and movements, cyber-queer research, sexuality and space, generational issues in lesbian and gay lifecycles and the subject of bisexuality Institutions: This investigates questions of the governance of sexualities, lesbian and gay health, sexualities and education, religion and homosexuality, homosexuality and the law, gay and lesbian workers, homosexuality and the family, and lesbian, gay and queer encounters with the media and popular culture Politics: This explores the formation of the gay and lesbian movements, impact of globalization, antigay and lesbian violence, nationalism and transnationalism in lesbian and gay studies and sexual citizenship. The result is an authoritative book that demarcates the field, stimulates critical discussion and provides lesbian and gay studies with an enriching focal reference point. It is, quite simply, a breakthrough work that will galvanize discussion and research for years to come.
