

When Sex Isn't Good: Stories & Solutions of Women With Sexual Dysfunction

When Sex Isn't Good, written so readers will learn from the experiences of others, portrays a variety of women's sexual health issues. It includes the science and a reference section to be used as a resource to educate and empower you to discuss your sexual dysfunction with your partner and your healthcare provider. Dr. John Bancroft, retired director of the Kinsey Institute and world-renowned researcher says: Women have problems in their sexual lives for a whole host of reasons. Sometimes the problems need and benefit from medical help. This book tells the stories of a number of women who benefited from such help. Dr. Elizabeth Stewart, expert in vulvovaginal care and sexual pain, author of *The V Book*, states: Women with a sexual problem long to know if others have dealt with their unmentionable struggles! In the poignant stories of this book you are sure to find company and comfort. Dr. Aline Zoldbrod, sex therapist and author of *Sex Talk*, claims: Sex is much too delicious to give up without a fight! If your sexual problem might have a physical cause, *When Sex Isn't Good* will be an inspiration and a treasured companion on your quest to feel sexual pleasure.
