

Our Cat Cuddles (Storysack)

Lizzie and Dominic desperately want a kitten, but they get much more than they bargain for! The puppets and audio CD in this Storysack(r) bring the story to life, whilst the creative language development cards build on the exciting language used in the book. A non-fiction game helps to teach children to care for pets. Many activities involving the use of language, adjectives and pet care can be explored using this sack. A Storysack(r) is a large cloth bag containing a quality children's picture book with supporting materials to stimulate reading activities. To bring the book to life, soft toys of the main characters, artefacts relating to items in the story, a non-fiction element relating to the fiction theme and a game based on the book are included. A guide and prompt suggest ways of developing listening, reading and writing skills using the contents of the Storysack(r).
