

How to Talk to Your Kid about Sex: Honesty and Openness for a Sensitive Subject

You don't want to make a big deal out of it. Isn't everyone else already talking about sex? Yes, they are talking, and their words are shaping your child's understanding right now. In a culture that glorifies casual sex, kids will only learn to think biblically about it when parents speak up. CCEF's *How to Talk to Your Kids about Sex: Honesty and Openness for a Sensitive Subject* by William P. Smith shares a practical, non-threatening model that will connect your child to God's perspective on sex and intimacy. As you initiate intentional conversations, you will create a safe and God-honoring space for your child to ask questions about sex and receive biblical answers. All the minibooks in our Christian bookstore offer gospel-centered hope for everyday issues like parenting, marriage, and personal change.
