

# Success Is a Decision: Leaders Create the Life They Want to Live (Journal)

The future is in your hands! We know how hard it is to consistently make good choices when you are surrounded by temptations to lie, cheat, steal, drink, do drugs, have sex, and join gangs. In spite of the daily challenges you face, I believe that given the right space, tools and training; ALL youth can succeed! But it is going to take a conscious effort on your part! Success in today's world is a little different than it was a few generations ago. We are growing up with a very different world view than our parents. To succeed today, you need to focus on: Thinking things through Making good decisions Setting goals Solving problems wisely Paving your own way This journal will be your action guide to a successful future!
