

Mouse Tells the Time

How do you tell the time? Mouse asks his animal friends. If its light, its day, and if its dark, its night, says Hedgehog. With dandelion clocks, say the Rabbit twins. With an hour glass, says Grandma Mole. But poor Mouse is left feeling more confused than ever by all these explanations. Luckily, Mother Mouse knows the answer. Lift the flap on the last page to see what little Mouse does next! A friendly and encouraging story that young children will turn to again and again.
